

# End of All Hope

## Nightwish

It is the end of all hope  
To lose the child, the faith  
To end all the innocence  
To be someone like me This is the birth of all hope  
To have what I once had  
This life unforgiven  
It will end with birth No will to wake for this morn  
To see another black rose born  
Deathbed is slowly covered with snow Angels, they fell first but I'm still here  
Alone as they are drawing near  
In heaven my masterpiece will finally be sung It is the end of all hope  
To lose the child, the faith  
To end all the innocence  
To be someone like me Wounded is the deer that leaps highest  
And my wound it cuts so deep  
Turn off the light and let me pull the plug It is the end of all hope  
To lose the child, the faith  
To end all the innocence  
To be someone like me This is the birth of all hope  
To have what I once had  
This life unforgiven  
It will end with birth Mandy lion without a face  
Deathwish without a prayer  
End of hope, end of love, end of time  
The rest is silence Mandy lion without a face  
Deathwish without a prayer  
End of hope, end of love, end of time  
The rest is silence It is the end of all hope  
To lose the child, the faith  
To end all the innocence  
To be someone like me This is the birth of all hope  
To have what I once had It is the end of all hope  
To lose the child, the faith  
To end all the innocence  
To be someone like me It is the end of all hope  
To lose the child, the faith  
End of all hope
