

# Why

## Jamie Foxx

You were my favorite girl, I was your favorite guy  
And somehow I thought that we'd always be down, down  
We went through crazy times, inside this crazy mind  
Somehow I thought that you would always be around, oh no  
Somehow we changed up, we flamed up  
And every day you're fighting with me, baby, baby, baby  
And then it came up, I asked did you love me?  
(Baby, do you love me?)

Who knew that, that would be the last time we speak  
All I could say is Why? Why? Why? Why? Why? Why? Why?  
(What did I do? What did I say? I didn't see this coming)  
All I can say is, Why? Why? Why? Why? Why? Why?  
(Oh why?)

For the last two months I was kissing you goodbye  
Bye, bye, bye, bye, bye, bye  
Kissing you goodbye  
Bye, bye, bye, bye, bye  
Behind your lovely eyes, couldn't see those lovely lies  
That kept recurring over the course of time  
You could unbreak this glass heart  
By just saying we're not apart  
But how can I go on knowing my love is blind?  
So many make ups, so many break ups  
I never thought that I'd see you leave, you leave, you leave  
I'ma put it to rest, 'cause all I want is the best for you  
You still haven't told me how I hurt you, so I deserve the answer to  
Why? Why? Why? Why? Why? Why? Why?  
(What did I do? What did I say? I didn't see this coming)  
All I can say is, Why?, Why?, Why?, Why?, Why?, Why?  
(Oh why?)

For the last two months I was kissing you goodbye  
Bye, bye, bye, bye, bye, bye  
Kissing you goodbye  
Bye, bye, bye, bye, bye  
Oh baby, how, can you leave me like this?  
Through all the smiles and all the cries  
The love we had I thought was divine  
Oh why, could you do me like this?  
I guess, love's questionless and what I've learned is this

There are no real answers to  
Why? Why? Why? Why?  
What did I do? What did I say? I didn't see this coming  
Oh why? Why? Why? Oh baby, why? Why?  
For the last two months I was kissing you goodbye  
Bye, bye, bye, bye, bye, bye  
Bye, bye, bye, bye, bye  
Bye, goodbye  
You were my favorite girl, I was your favorite guy  
And somehow I thought that we'd always be down, down
