

# Tragic

Brianna Taylor

Hes always talkin 'bout his regret  
No love to spare and no cash to spend  
So unaware, he dont have the strength to care  
Wo-ahWheels turn as the world spins beneath him  
Tongue tied, he never can speak his mind  
So unashamed, nothing's ever gonna change  
Oh-hhJust so typical that its unoriginal  
Hes so tragic, oh he's so tragic  
Only heaven knows if hes even got a soul  
Hes so tragic, oh he's so tragic  
Broke down like a car crash in the night  
Dragging his past into the light  
Hes such a fool, complicating all the rules  
Oh-hhHe stops where reality begins  
Holds on to all the same old sins  
Misunderstood fighting everything that he could  
Oh-hhJust so typical that its unoriginal  
Hes so tragic, oh he's so tragic  
Only heaven knows if hes even got a soul  
Hes so tragic, oh he's so tragic  
Oh-hhHes so tragic all the time  
Its automaticHey-yy  
Yeah yeah yeah  
Its all the way downJust so typical that its unoriginal  
Hes so tragic, oh he's so tragic  
Only heaven knows if hes even got a soul  
Hes so tragic, oh he's so tragic  
Tragic YeahOnly heaven knows if hes even got a soul  
Hes so tragic, oh he's so tragicHey-yyHes so tragic all the time  
Its automatic
