My Arms Keep Missing You

Caught In the Act

My arms keep missing you
who's been kissing you
since you went away
my arms keep missing you
I keep wishing you'd come back todayYou know I've been so lonely every night
since you went away
would you let me down any night
is that the way you're made girlI keep telling myself it's all right
even though I cry
there's no question why
how could I be happy whenMy arms keep missing you
who's been kissing you
since you went away
my arms keep missing you
I keep wishing you'd come back today
