

I'll Catch You

The Get Up Kids

Can you sleep as the sound hits your ears
One at a time?
An unspoken balance here
Unabridged for so many years
That I should stare at receivers
To receive her
Isn't fair Don't worry, I'll catch you
Don't worry, I'll catch you
Don't ever worry Your arms in mine
Anytime
I wouldn't trade anything
You're still my everything
To my surprise
Before my eyes
You arrive Don't worry, I'll catch you
Don't worry, I'll catch you
Don't ever worry Still breaking old habits, habits
You pulled the wool over me
I can see everything, everything
Remembering jinx removing Don't worry, I'll catch you
Don't worry, I'll catch you
Don't ever worry No need for reminding
You're still all that matters to me
