

# Love of My Life

DJ Bobo

You are the only one who can take my breath away  
Like they say time flies when you're having fun  
My love to you still feels like on the first day  
For the rest of my life I need you by my side  
    You are the love of my life  
    Sun always shines when you're near  
    Sharing your secrets my dear  
    You are the one that I need  
    Without you I can't breath  
    Give me one moment in time  
    I wish you'll always be mine  
    Nothing that I wouldn't do  
    You know I guide you through  
You're the one that I love send from heaven above  
    You are the queen of my heart  
    Every breath that I take every move that I make  
    All is for you worth the way  
    You are the love of my life  
    You are the key to survive  
I need you by my side every day every night  
    I swear I love you  
    You are the love of my life  
    You are the key to survive  
Wherever you go I just want you to know  
    You 'll stay here in my life  
    Cried picture your face in my hands  
    Hope that this love never ends  
    I would be by your side  
    For the rest of my life  
    Give me one moment in time  
    I wish you'll always be mine  
    Live for each moment a day  
    And I heal my suffering  
You're the one that I love send from heaven above  
    You are the queen of my heart  
    Every breath that I take every move that I make  
    All is for you worth the way  
    You are the love of my life  
    You are the key to survive

I need you by my side every day every night  
I swear I love you  
You are the love of my life  
You are the key to survive  
Wherever you go I just want you to know  
You 'll stay here in my life  
For the rest of my life  
I need you by my side  
You 'll always be mine  
You are the one that I need  
You're the one that I love send from heaven above  
You are the queen of my heart  
Every breath that I take every move that I make  
All is for you worth the way  
You are the love of my life  
You are the key to survive  
I need you by my side every day every night  
I swear I love you  
You are the love of my life  
You are the key to survive  
Wherever you go I just want you to know  
You 'll stay here in my life  
You are the love of my life  
You are the key to survive  
I need you by my side every day every night  
I swear I love you  
You are the love of my life  
You are the key to survive  
Wherever you go I just want you to know  
You 'll stay here in my life
