Stay

Nneka

The state of madness, is where I find myself
Freedom is helpless, cos Iâ€™m captured within myself
It is all in my mind, the illusion, that your presence donâ€™t count
But it is a lie

Please stay
Please stay
Please stay
I am begging you to say

I enter the dark, approach the silence
I have given and so I am empty
Canâ€™t keep the tears from my eyes
You donâ€™t know what I feel
You donâ€™t know what I feel, what I feel, captive

The loneliness inside of me
because I fell for you, you left me
This world that I love and hate so much
this life in which I have lost and I gained as such
The music the fame, the evil the shame
the changes, the results, the aggression the insults
Still I wait I try to exercise the patience
And yet delayed I pray for you to see my conscience
who would be there, if you left me Lord
I believe in your words cos your first and my last
say it is a trial, say it is a test
I need to understand to overcome the rest
got too many rivers to cross, to many things to see
so much pain to bear this misery
Oh Lord, oh Savior, let me drown in your love

Please stay
Please stay
