

# Happy People Make Me Sick

## The Monsters

UH

happy people make me sick  
friendly people you make me sick

get out of my way  
get out of my way  
get out of my fucking way  
'cause all you people  
make me sick

natty people make me sick  
greedy people you make me sick

get out of my way  
get out of my way  
get out of my fucking way  
'cause all you people  
make me sick

[solo]

happy people make me sick  
friendly people you make me sick

get out of my way  
get out of my way  
get out of my fucking way  
'cause all you people  
make me sick

you make me sick  
make me sick  
you make me sick  
make me sick  
you make me sick  
make me sick  
you make me sick  
make me sick
