

Something On the Inside

Bishop G.E. Patterson

Something on the Inside Working on the Outside

Something on the Inside - Working on the Outside

Oh what a change in my life x 3

Oh- what - a -change -in - my -life

I have Jesus on the Inside Working on the Outside

Oh what a change in my life x 3

Oh- what - a -change -in - my -life

The Holy Ghost on the inside working on the outside

Oh what a change in my life x 3

Oh- what - a -change -in - my -life

The Word on the Inside Working on the Outside

Oh what a change in my life x 3

Oh- what - a -change -in - my -life x3
