Dave Matthews Band

every night stopping
it's raining
scary oh
so rage you again
your
on fire
i one decide to run out
oh they got off you did
wonder where you say you knewsugar ain't poison
but sugar will kill you
it's too much of a good thing
maybe not so....sweeti wasn't somebody
no hand out
i give you
i stare back and
gonna let you out
i wonder what you
all of sad you knewsugar ain't poison
but sugar will kill you
too much of a good thing
maybe not soyoudid what you thought was fitting baby
dreams about oh what is sunning you
oh baby
i hung up my package
never no never you knewsugar ain't poison
but sugar will kill you
too much of a good thing
maybe not so sweet
