

Blessing and Honor

Larnelle Harris

Blessing and honor to our God
Lift up the name of Jesus
He has redeemed us from this world
He is the one who saves us Christ has risen from the dead
And He has given us new life
And raised us up with Him
To worship at His glorious throne Blessing and honor to our God
Lift up the name of Jesus
He has redeemed us from this world
He is the one who saves us Blessing and honor to our God
Lift up the name of Jesus
He has redeemed us from this world
He is the one who saves us Oh, worthy is the Lamb to receive
Power, glory and riches
Praise, wisdom and might
Blessing and dominion, now until forever Blessing and honor to our God
Lift up the name of Jesus
He has redeemed us from this world
He is the one who saves us Christ has risen from the dead
And He has given us new life
And raised us up with Him
To worship at His glorious throne Blessing and honor to our God
Lift up the name of Jesus
He has redeemed us from this world
He is the one who saves us Blessing and honor to our God
Lift up the name of Jesus
He has redeemed us from this world
He is the one who saves us Jesus the Saviour
Blessing and honor to our God
