

# Girl On The Radio

## Florida Georgia Line

Well I'm talking 'bout a hometown  
A little party back in the pines  
I'm really thinkin' 'bout your house  
And your couch, and getting some on a Saturday night  
When I'm singing 'bout  
Whiskey, summer, spring break, lovers  
Shirt hanging off a tree  
I'm thinkin' 'bout  
Brown skin, blue eyes, pink toes, red sky  
You hanging onto me 'Cause you're the girl on the radio  
The radio, everybody singing 'bout you tonight  
You're the song on the stereo, the stereo  
We got you turned up just right  
It's all rock and roll, and solid gold  
Flashing lights and rolling smoke  
Stuck in their head, but they don't know  
I know, you know, you're the girl on the radio  
The radio, yeah Well I say a little hey baby (hey baby)  
What's your number and where you from  
I'm really thinking about you baby  
And the first crazy night I got to get you home  
After the drive-in, the kissing  
The leaving, the missing  
You're everywhere I go 'Cause you're the girl on the radio  
The radio, everybody singing 'bout you tonight  
You're the song on the stereo, the stereo  
We got you turned up just right  
It's all rock and roll, and solid gold  
Flashing lights and rolling smoke  
Stuck in their head, but they don't know  
I know, you know, you're the girl on the radio  
The radio, yeah When I'm singing 'bout  
Whiskey, summer, spring break, lovers  
Shirt hanging off a tree  
I'm thinkin' 'bout  
Brown skin, blue eyes, pink toes, red sky  
You hanging onto me After the drive-in, the kissing  
The leaving, the missing  
You're everywhere I go 'Cause you're the girl on the radio  
The radio, everybody singing 'bout you tonight  
You're the song on the stereo, the stereo

We got you turned up just right  
It's all rock and roll, and solid gold  
Flashing lights and rolling smoke  
Stuck in their head, but they don't know  
I know, you know, you're the girl on the radio  
The radio, yeah You know, you're the girl on the radio  
The radio, yeah  
You're the girl on the radio
