

At Last

[Liza Minnelli](#)

At last
My love has come along
My loneliness are over
And life is like a song
At last
The skies above are blue
My heart is wrapped in clover
The night I looked at you
I found a dream that I can speak to
A dream that I can call my own
I found a thrill to press my cheek to
A thrill I've never known
You smiled
And then the spell was cast
And here we are in heaven
For you are mine at last
At last
My love has come alive
And here we are in heaven
And life is like a song
At last, at last
At last
