

# Driving Sideways

## Johnny Mars

At least you know you were taken by a pro  
I know just how you feel  
She talked a perfect game deflectin' all the blame  
You took the jack and changed the flat  
And got behind the wheel Now you're drivin' sideways  
Taken in by the scenery  
As you're propelled, along  
And your companion will not help you to navigate  
For fear she may be wrong  
I fear she may be wrong And you will say that you're makin' headway  
And put it in overdrive  
But you're mistakin' speed for gettin' what you need  
And never even noticin' you never do arrive 'Cause you're drivin' sideways  
If you roll down the window you'll see  
You're where you don't, belong  
And your companion will not help you to navigate  
For fear she may be wrong  
For fear she may be wrong And you're powered by the hopeful lie  
That it's just around the bend  
And when this by default comes screechin' to a halt  
Let's hope that you know what to do  
To start it up again Drivin' sideways, hittin' scan on the radio  
So she can sing along  
And she'll sit thinkin' you're gonna handle it  
Until she's proven wrong  
Until she's proven wrong  
Until you prove her wrong  
Drivin' sideways
