

# Let the Children Have a World

[Dana Winner](#)

There is a place for a child in your heart  
As long as you still believe in a fairytale  
And always know deep inside we are all the same  
Where there is no pain or sorrow  
Where they all can live tomorrow  
And they share a brighter day  
Where the people can be free  
Where they all can join together  
And there hearts will share a dream  
A child will find its own place in the sunlight  
A child has hope, crystal light in his eyes  
I want the world to love every boy and girl  
Where there is no pain or  
sorrow  
Where they all can live tomorrow  
And they share a brighter day  
Where the people can be free  
Where they all can join together  
And there hearts will share a dream  
Where there is no pain or sorrow  
Where they all can live tomorrow  
And they share a brighter day  
Where the people can be free  
Where they all can join together  
And there hearts will share a dream
