

This Is What It Feels Like (feat. Trevor Guthrie)

[Armin van Buuren](#)

Nobody here knocking at my door
The sound of silence I can't take anymore
Nobody ringing my telephone now
Oh how I miss such a beautiful sound And I don't even know how I survive
I won't make it to the show without your light
No I don't even know if I'm alive
Oh, oh, oh without you now
This is what it feels like Nothing to hold but the memories and frames
Oh they remind me of the battle I face
Without your love, without you I drown
Somebody save me I'm going down And I don't even know how I survive
I won't make it to the show without your light
No I don't even know if I'm alive
Oh, oh, oh without you now
This is what it feels like And I don't even know how I survive
I won't make it down the road with one headlight
No I don't even know if I'm alive
Oh, oh, oh without you now
This is what it feels like
