

Froot

Marina and The Diamonds

Froot
La la la la la la
Juice
La la la la la I've seen seasons come and go
From winter sun to summer snow
This ain't my first time at the rodeo Nature ain't a fruit machine
She's gotta keep her credits clean
Good things come to those who wait
But I ain't in a patient phase It's summer time and I hang on the vine
They're gonna make me into sweet red wine
Hanging around like a fruit on a tree
Waiting to be picked, come on cut me free Come on fill your cup up
Looking for some good luck
Good luck, good luck to you
Hanging like a fruit
Ready to be juiced
Juiced, juiced Living la dolce vita
Life couldn't get much sweeter
Don't you give me a reason
That it's not the right season
Babe, I love you a lot
I'll give you all I've got
Yeah, you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
Like froot, like froot Baby, I am plump and ripe
I'm pinker than shepherd's delight
Sweet like honeysuckle late at night Leave it too long I'll go rot
Like an apple you forgot
Birds and worms will come for me
The cycle of life is complete I'm your carnal flower, I'm your bloody rose
Pick my petals off and make my heart explode
I'm your deadly nightshade, I'm your cherry tree
You're my one true love, I'm your destiny Come on fill your cup up
Looking for some good luck
Good luck, good luck to you
Autumn, I'll be gone
Birds will sing their mourning song, song Living la dolce vita
Life couldn't get much sweeter

Don't you give me a reason
That it's not the right season
 Babe, I love you a lot
 I'll give you all I've got
 Yeah, you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
 Like froot, like frootOh my body is ready
 Yeah it's ready, yeah it's ready for your love
 Oh my branches are heavy
 Yeah they're heavy, yeah they're heavyLiving la dolce vita
 Life couldn't get much sweeter
 Don't you give me a reason
 That it's not the right season
 Babe, I love you a lot
 I'll give you all I've got
 Yeah you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
 Like froot (Living la dolce vita)
 Like froot (I'm in love)
 Living la dolce vita
 I'm in love
 I'm in love
