

# Dope Ball (Interlude)

[Pitbull](#)

Ladies and gentlemen, I like to introduce you all to a new game.

It's called Dope Ball.

Similar rules and regulations, but at the same time very different.[hahaha]Goes a lil something like this.It's not  
pick 'n roll, it's more like pick a roll.

What you gon' push? We waste a blow.

If it's all three, then that's the three from the top of the key, before you cup a brick, scrape some grams of the  
top of the key.

Same for the blow, we call those free throws, they call 'm cheerleaders, we call 'm cheap ho's.

Find some low ones, have them beg a few O's.

Next thing you know you're putting numbers on the... boat.

The whole point is to stay on the courts, but, in this game the whole point is to stay outta courts.

Yeah they similar, but not the same sports.

Both international, import, export.

Extort, and if you get caught, the law is like referee, it can get bought. Extort, and if you get caught, the law is  
like referee, it can get bought.
