

# Kamikaze Baby

## House of Heroes

up the stairs and down the hall.  
to your door and through your wall.  
sorry that i never called you. so please come to your window.  
i've been throwing rocks all night. i must be crazy.  
i never thought it would come to this.  
and maybe it's suicide by small increments. amazing.  
i'll admit that it's amazing.  
i cannot get my hands around it. brick by brick i build these walls.  
brick by brick i build these walls.  
sorry that i never called you. i must be crazy baby.
