

# Welcome to the Black Parade (Live in Mexico)

## My Chemical Romance

When I was a young boy  
My father took me into the city  
To see a marching band He said son when, you grow up  
Will you be, the savior of the broken  
The beaten and the damned He said will you defeat them  
Your demons and all the non-believers  
The plans they have made Because one day I'll leave you  
A phantom to lead you in the summer  
To join the black parade Sometimes I get the feeling she's watching over me  
And other times I feel like I should go  
Through it all, the rise and fall, the bodies in the streets  
When you're gone we want you all to know We'll carry on  
We'll carry on  
Though your dead and gone believe me  
Your memory will carry on  
We'll carry on  
And in my heart I can't contain it  
The anthem won't explain it And we will send you reeling from decimated dreams  
Your misery and hate will kill us all  
So paint it black and take it back  
Let's shout it loud and clear  
Do you fight it to the end  
We hear the call to  
To carry on  
We'll carry on  
Though your dead and gone believe me  
Your memory will carry on  
We'll carry on  
And though you're broken and defeated  
You're weary widow marches on  
And on we carry through the fears  
Ooh oh oh Disappointed faces of your peers  
Ooh oh  
Take a look at me 'cause I could not care at all  
Do or die  
You'll never make me  
'Cause the world, will never take my heart  
Though you try, you'll never break me  
We want it all, we wanna play this part

Won't explain or say I'm sorry  
I'm not ashamed, I'm gonna show my scar  
Give a cheer for all the broken  
Listen here, because it's only  
I'm just a man, I'm not a hero  
Just a boy, who's meant to sing this song  
Just a man, I'm not a hero  
I, don't, care Carry on  
We'll carry on  
Though your dead and gone believe me  
Your memory will carry on  
You'll carry on  
And though you're broken and defeated  
You're wiry widow marches on  
We'll carry on  
We'll carry on
