

# Mary Lou

## Steve Miller Band

I'm gonna tell you a story 'bout ol' Mary Lou  
I mean the kind of a girl that make a fool of you  
She make a young man old and an old man pay  
The way she took my money was a crying shame Mary Lou, Mary Lou she took my watch and chain  
Mary Lou, Mary Lou she took my diamond ring  
She took the keys to my Cadillac car  
Jumped in my caddy and she drove afar Put a detective on her trail  
The post office thought they'd chase her by the mail  
She got picked up and then was put in jail  
Stroked the judge just to go home bail Mary Lou, Mary Lou she took my watch and chain  
Mary Lou, Mary Lou she took my diamond ring  
She took the keys to my Cadillac car  
Jumped in my caddy and she drove afar She left Detroit to go to Kalamazoo  
Made her a fortune out of fools like you  
Met her a rich man who was married and some kids  
Stroked that cat until he flipped his lid Mary Lou, Mary Lou she took my watch and chain  
Mary Lou, Mary Lou she took my diamond ring  
She took the keys to my Cadillac car  
Jumped in my caddy and she drove afar She came back into town about a week ago  
Told me she's sorry she had hurt me so  
I had a '65 ford and a two dollar bill  
The way she took that Lord, it gave me a thrill Mary Lou, Mary Lou she took my watch and chain  
Mary Lou, Mary Lou she took my diamond ring  
She took the keys to my Cadillac car  
Jumped in my caddy and she drove afar
