[Intro]Bounce

Bounce

Aw yeah yeah

Wanna come to my apartment

Ugh, Yeah[Verse 1 ; John]She wanna come to my apartment

She don't know what she starting

I don't know what she starting

but i know she wanna fuck with a cardiff

I told her thats cool babe

Just do whatever you say, aye

Coming up on a tuesday aye

but tomorrow is a new day ouu

Why don't you come with me

up to my room so you can see

just how i live, what i do

how i live, and how i move[Chorus]

I told her like ouu baby you baby

don't you tell em what we do baby

ouu baby you baby

don't you tell em what we do

we could just chill, all day long

sit in my room play nintendo

sit in my room play nintendo

cause we aint got no place to go

let me get it now[Bridge]

aye let me get it now

aye aye aye

cause baby you, got what i need (what i need)

yeah baby you, got what i need[Verse 2 ; John]

so can i get that right now aye

how bout we go lie down yeah

you spin my head right round

don't tell em what we do when the lights out

out baby you drive me crazy

been thinking lately you're so amazing[Chorus][Verse 3 ; Jake]

hanging out with you is so addicting

you aint like the rest you're so different

me and you you and me its a party

looking in them eyes with my hands on your body

we could play nintendo, old school atari
go tell your friends you'll be late and ya sorry
excuses excuses this partys exclusive
xbox and pizza turn up the music
your friends are all bitter they stay on twitter
looking for love with a like on a picture but
we keep it real and don't worry about fake shit
yeah and they all way to basic[Final Chorus]
I told her like ouu baby you baby
don't you tell em what we do baby
ouu baby you baby
don't you tell em what we do
we could just chill, all day long
sit in my room play donkey kong
sit in my room play donkey kong
fuck that shit lets get it onman I told her like ouu baby you baby
don't you tell em what we do baby
ouu baby you baby
don't you tell em what we do
we could just chill, all day long
sit in my room play nintendo
sit in my room play nintendo
cause we aint got no place to go
let me get it now
