

When I Was A Young Boy

Scooter

Alright

Go

Yeah

We gonna make you loose control

We gonna make you loose control

We gonna make you, we gonna make you

We gonna make you loose control

When I was a young boy I used to chat on the mike

When I was a young boy I used to chat on the mike

'Til somebody told me this ain't gonna be alright

When I was a young boy I used to chat on the mike

You got the feelin', I got the feelin'

You got the feelin', I got the feelin'

You got the feelin', I got the feelin'

You got the feelin', I got the feelin'

Yeah

Ride on, ride on

Ride on, ride on

Ride on, ride on

[Incomprehensible]We gonna make you loose control

We gonna make you loose control

We gonna make you, we gonna make you

We gonna make you loose control

When I was a young boy I used to chat on the mike

When I was a young boy I used to chat on the mike

'Till somebody told me this ain't gonna be alright

When I was a young boy I used to chat on the mike

You got the feelin', I got the feelin'

You got the feelin', I got the feelin'

You got the feelin', I got the feelin'

You got the feelin', I got the feelin'

Yeah

Ride on, ride on

Ride on, ride on

Ride on, ride on

Give it right now

Ride on, ride on

We make you loose con, we make you loose con

We make you loose control
