

# Justice For None

## Tracedawn

Hold on to whatever you can  
There will be blood to pay  
What others build others destroy  
For a greater good Mindless masses full of fear  
Controlled by those who dare Broken limbs broken bones  
Violence is what they know  
Anger and grief grief and hate  
And so it goes Mindless masses full of fear  
Controlled by those who dare Blue eyed lambs forever bound  
To the will of the one  
Justice for all! justice for none  
Those who know love will soon forget all they know
