

# Feed My Brain

## Radkey

Teacher, you show me your path  
I'm in debt, you're a life-changer  
Teacher, you taught me my math  
You're my world, don't be a stranger  
    Always, I'm craving your touch  
Your marionette, my guardian angel  
    Teacher, I love you that much  
Don't think me strange, cause I could be stranger  
    Teacher, give me thoughts  
        Feed my brain  
    Teacher, lay me down  
        Feel my breath  
    Teacher, give me thoughts  
        Feed my brain  
        Think about you every night  
    Don't be scared, you're not danger  
        Never let you out sight  
        All my love, my manipulator  
        What if they were to find out  
        Of our love, of our behavior?  
    Teacher, give me thoughts  
        Feed my brain  
    Teacher, lay me down  
        Feel my breath  
    Teacher, give me thoughts  
        Feed my brain  
Teacher, won't you be my number one?  
    (Ohhhh, oh, oh)  
    (Oh, oh, oh, oh, oh, oh)  
        (Ohhhh, oh)  
        (Ohhhh, oh, oh)  
    (Oh, oh, oh, oh, oh, oh)  
        (Ohhh, oh)  
    Teacher, my love  
    Teacher, my love  
        (Ahhh)

Teacher, my love  
Teacher, my love  
(Ohhhh)  
Teacher, my love  
Teacher, my love  
(Ahhhh)  
Teacher, my love  
Teacher, my love  
(Ohhhh)
