A Few Ole Country Boys

Randy Travis

Not too many years ago
When dreams were coming true
I'd reach for inspiration
Sometimes it would be you
I'd hear you on the radio
I sure did like your sound
Say it's good to know there's still
A few ol' country boys around
From the smoke it's hard to tell
What's coming down the line
We heard you were a fast train
Coming out of Caroline
We wondered what you were haulin'
When you rolled into town
Say it's good to know there's still
A few ol' country boys around
You must have felt that same old feeling
More than once or twice

Guitars pressed against our hearts
Under the neon lights
I've got to say that feeling
Is the best that I have found
Lord it's good to know there's still
A few ol' country boys around
There's a lot of truth you know
In our kind of songs
About the life you're living
And how love's done you wrong
As long as there's a jukebox
And a honky tonk in town
It's good to know there's still
A few ol' country boys around
It's good to know there's still
A few ol' country boys around
