Advisory - the following lyrics contain explicit language:

[Jack Scagnetti:] "Jesus Christ!" [Dwight McClusky:] "Don't worry about it. She does this all the time." [Jack Scagnetti:]
"She ain't changed a bit, huh?"[Wayne Gayle:] "We are talking about nothing less than television history. The first sit down, in-depth interview with the
most charismatic serial killer ever, one day before he's being shipped away to a mental hospital for the rest of his life.
This is Wallace with Noriega, this is Elton John confessing his bi-sexuality to Rolling Stone, this is the Maysles brothers
at Altamont, this is the fucking Nixon/Frost interviews. Whaddya say, mate? Ah, time's running out, mate. What's the answer?"
