

Do You Believe In Heaven

Risque

four, five, six, seven
do you believe in heaven?
donâ€™t hesitate to show
I donâ€™t want to sleep alone

four, five, six, seven
do you believe in heaven?
donâ€™t hesitate to show
I donâ€™t want to sleep alone

four, five, six, seven
do you believe in heaven?

music interlude

four, five, six, seven
do you believe in heaven?
donâ€™t hesitate to show
I donâ€™t want to sleep alone

four, five, six, seven
do you believe in heaven?
donâ€™t hesitate to show
I donâ€™t want to sleep alone

music interlude

tell me
do you work tonight?
no?
I think Iâ€™m done
Bye bye
To keep me up at night
Tell me
the circumstance

four, five, six, seven
do you believe in heaven?
donâ€™t hesitate to show

I donâ€™t want to sleep alone

four, five, six, seven
do you believe in heaven?
donâ€™t hesitate to show
I donâ€™t want to sleep alone

music interlude

four, five, six, seven
is it going to happen?

Is it?
No?
No?
