Please Don't Wait for Me

Yak

Please don't wait for me

Cuz I can't take Some things aren't what they seem so Please don't wait for me

When your feet have touched the ground,
that's when I'll settle down, down, down
Somethings aren't quite what they seem
So please don't wait for me
Cuz I can take a while
when your feet have touched that's when I'll settle down, down, down
till this day I'm happySettle down, down, down
Settle down x5Please don't wait for me
