

# Hollywood Hills

## Alejandro Escovedo

Say goodbye  
To Hollywood Hills  
There's not much here  
To keep us warm  
Keep the mud off your heelsHey do you remember me  
I was the complicated one  
I wore that silver leather jacket, you remember  
That shined in the sunHappiness can't be bought or sold  
You shared what you had  
But you gave me love  
Gave me love  
Precious loveI still got a photograph  
You in that convertible  
I think it was outside King City  
Two lovers on the runNow I'm standing here  
In the middle of nothing, baby  
I know you would hate it here  
Everyone walking around half dead  
The bars are always closedHappiness can't be bought or sold  
You shared what you had  
But you gave me love  
Gave me love  
Precious loveI forgot what I was saying  
I noticed  
You haven't touch your drink  
Maybe it's time, to put the boy to sleepHappiness can't be bought or sold  
You shared what you had  
But you gave me love  
Gave me love  
Precious loveSo say goodbye  
To Hollywood Hills  
There's not much here  
To keep us warm  
Keep the mud off your heels
