

Dreamgirl

Bouke

Dream Girl by Bouke (sound like Elvis Presley)

If you would know
what I can give you baby
You won't resist
and you let me make you crazy
The way I love you
You will never find another guy

I love you more
than anyone could ever love you
When you're around
there isn't much you have to do
Cos' when you're close to me
I feel so much alive
All that you have to do
is saying I love you

Chrs:

Dream girl, I'm so in love with you
Please make my dream comes true
and unlock your heart
Dream girl, if you just love me too
Baby what can I do
to give us a start

Is it that hard
or you say never say never
Made up your mind
My feeling will not wait forever
Stop hesitating
I will give you never ending love

Chrs.....

O-ho-ho-ho, don't wait too long
Cos' I will find another love
I will go on
and you regret you've never loved me

Chrs.....

....Baby what can I do
to give us a start.
