

Lost

Van der Graaf Generator

Dance in Sand and Sea

So here we are, or rather, here I am, quite alone,
I'm seeing things that were shared before, long ago
My memory stretches and I am dazed: you know I know
How good the time was and how I laughed
Times have changed, now you're far away, I can't complain:
I had all my chances but they slipped right through my hands - like so much sand;
I know I'll never dance like I used to I'll just wait till day breaks upon the land and the sea.

Hoping that I can catch all of the memories,
Then I must crawl off upon my way, all of me
Listening hard for the final words.

But there are none; the sunrise calls, I've lingered on
Too close for comfort and I don't know quite why
I feel like crying

I know we'll never dance like we used to. I look up, I'm almost blinded by the warmth of what's inside me

And the taste that's in my soul,

But I'm dead inside as I stand alone
Dance in Frost
I wore my moods like so many different sets of clothes
But the right one was never around;
And as you left I heard my body ring
And my mind began to howl

It was far too late to contemplate the meaning of it all:
You know that I need you, but somehow I don't think
You see my love at all At some point I lost you, I don't know quite how it was;

The wonderland lay in a coat of white, chilling frost
I looked around and I found I was truly lost:

Without your hand in mine I am dead
Reality is unreal and games I've tried just aren't the same:
Without your smile there's nowhere to hide

And deep inside

I know I've never cried as I'm about to If I could just frame the words that would make your fire burn

All this water now around me could be the love that
Should surround me. Looking out through the tears that bind me
My heart bleeds that you may find me .. or at least that I can
Forget and be numb, but I can't stop, the words still come:

I love you
