

I Keep It to Myself

Wilko Johnson

I looked at you a thousand times
This time when I looked at you
 There was something new
 How could I be so blind
We shared our secrets in the dark
 Though we were only friends
I don't know when the feeling changed
 Within my heart
 Baby, oooo I keep it to myself
 Baby, oooo fallin' in love with you
 Oooo the harder it gets
But you don't know the love I'm feelin'
 Oooo I keep it to myself
 Baby, oooo fallin' in love with you
 Oooo I don't wanna push you away
'Cause no one makes me feel like you do
 I dream of you all through the night
 Holding you tenderly
Right here wrapped in my arms so tight
 But when I start to tell you how I feel
You tell me 'bout someone new who's right for you
 If you only knew my love's for real
 Baby, oooo I keep it to myself
 Baby, oooo fallin' in love with you
 The harder it gets
But you don't know the pain I'm feelin'
 Oooo I keep it to myself
 Baby, oooo fallin' in love with you
 Oooo I don't wanna push you away
'Cause no one makes me feel like you do
 I wonder if you feel the same way I do
 Then we both could be together forever
So why do I hide all my feelings inside?
 If I know you're the only one for me
 The deeper that it gets
 The harder that I fall
 Baby, oooo I keep it to myself
 Baby, oooo fallin' in love with you
 Oooo the harder it gets

'Cause no one knows the pain I'm feelin'
 Oooo I keep it to myself
Don't you ever leave me, you know baby
 Oooo I don't wanna push you away
Don't you ever go away from me, baby
 I love you baby
 Love you crazy
 I love you baby
 And I love you crazy
