

I Can't Stop Loving You

[Roy Orbison](#)

Those happy hours that we once knew
Though long ago, still make me blue
They say that time heals a broken heart
But time has stood still since weve been apartI cant stop loving you
So Ive made up my mind
To live in memory
Of old lone some timesI cant stop wanting you
Its useless to say
So Ill just live my life
In dreams of yesterdayThose happy hours that we once knew
Though long ago, still make me blue
They say that time heals a broken heart
But time has stood still since weve been apartI cant stop loving you
Theres no use to try
Pretend theres some one new
I cant live a lieI cant stop wanting you
The way that I do
Theres only been one love for me
That one love is you
