I Can't Stop Loving You

Roy Orbison

Those happy hours that we once knew Though long ago, still make me blue They say that time heals a broken heart But time has stood still since weve been apartI cant stop loving you So Ive made up my mind To live in memory Of old lone some timesI cant stop wanting you Its useless to say So Ill just live my life In dreams of yesterdayThose happy hours that we once knew Though long ago, still make me blue They say that time heals a broken heart But time has stood still since weve been apartI cant stop loving you Theres no use to try Pretend theres some one new I cant live a lieI cant stop wanting you The way that I do Theres only been one love for me That one love is you
