No Escape

At Vance

When you're caught up in darkness
You're searchin' for life
And you reach out for every
Ray that's insideYou're diggin' the dirt for some pieces of gold
Remember what you have been told
When you tryin' to find it there
Out in the coldThere is no escape
There is no escapeSo you're tryin' to hide
Where the streets have no name
But wherever you look
You see faces of shameAddicted to madness they burn kill and die
Sellin' there souls for a lie
Then they pray for forgiveness
They fall down and cryThere is no escape
There is no escapeYou've got to open up
Your eyes and see reality
That you can run
But you just can't break freeThere is no escape
There is no escape
There is no escape
There is no escape
