

# No Escape

## At Vance

When you're caught up in darkness  
You're searchin' for life  
And you reach out for every  
Ray that's inside You're diggin' the dirt for some pieces of gold  
Remember what you have been told  
When you tryin' to find it there  
Out in the cold There is no escape  
There is no escape So you're tryin' to hide  
Where the streets have no name  
But wherever you look  
You see faces of shame Addicted to madness they burn kill and die  
Sellin' there souls for a lie  
Then they pray for forgiveness  
They fall down and cry There is no escape  
There is no escape You've got to open up  
Your eyes and see reality  
That you can run  
But you just can't break free There is no escape  
There is no escape  
There is no escape  
There is no escape
