

# Missing You

## Ruff Endz

    Hmm, yeah  
    (I miss you baby)  
    I've been missin' you  
    (It's so hard bein' away from you)  
    Girl, I've been missin' you, baby  
    (Mmm, I want you next to me so bad)  
    I've been thinking about you girl  
    (I miss you so much girl)  
I never felt loneliness like this before, I'm so paranoid  
    Thinkin' you gonna walk through the door  
    Girl my heart has so much pain to endure  
    It's been hurting for so long till it feels sore  
    Girl I don't wanna hurt no more  
    You're everything worth living for  
    So baby come back to me  
    You belong with me naturally  
Take me outta my misery, girl I'm going crazy  
    Girl I've been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeks  
    Girl I've been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeks  
    Girl I've been missing you, like crazy  
    Every minute seems like hours  
    Every day seems like weeks  
    Ooh girl, I'm missing you  
    You know I'm wanting to  
    Spend every moment with you  
Girl it's been so long since I seen your face  
    And I'm feeling so out of place  
    The touch of your fingertips on my back  
    As we make contact, didn't I react  
    To the chills you send through my veins  
Girl just the thought of you drive me insane  
    Girl I can't wait to feel that feeling again  
    It's your sweet love what I'm missing  
    Girl I been missing you, like crazy  
    Every minute seems like hours

Every day seems like weeks  
Girl I been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Ooh girl, I'm missing you  
You know I'm wanting to  
Spend every moment with you  
Girl, I'm missing you like crazy  
I don't know what it is about you  
Each moment without you  
Seems like forever babe  
I just need to be next to you  
And until I'm next to you  
I'll be missin' you babe  
And I've been missing you  
Oh, the days have been so long  
I've been missing you  
I've been thinkin' about cheatin' Mrs. Jones  
And I've been missing you  
Said I'm lost without you baby  
Oh baby, baby, I've been missing you  
Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Ooh girl, I'm missing you  
You know I'm wanting to  
Spend every moment with you
