Here I Am

Tamela Mann

[Verse 1: David]
Here I am, a vessel unworthy of you
Here I am, my soul's crying out to you
Here I am, yielding my soul to you
Here I am, knowing you'll see me through
And I give my heart to you

[Chorus:]
Giving myself to you (knowing you'll see me through)
Knowing you'll see me through (and I give my heart to you)
Completely yours, here I am
