Hands Tied

Mobile

If there's a way, yes, there's a will
Gotta get out, yeah, gotta break out of this place
If there's a way before I waste another day
I hope see this end of it, gotta get out, yeah, gotta break out of this placeWalk, walk, straight up ahead
Stop, stop when I say you can
Talk, talk, say it again, don't stop, stop, till I say you canWalk, walk straight up ahead
Stop, stop when I say you can
Talk, talk, say it again, don't stopIf there's a way, there's gotta be a will, yeah
I think you got to get out, think you gotta get out of my face
You're getting in my way, you think you've got the right to say
I'll never hear the end of it, gotta get out, gotta get away
Gotta get out, gotta get away, gotta get awayWalk, walk straight up ahead
Stop, stop when I say you can
Talk, talk, say it again, don't stop, stop till I say you canWalk, walk straight up ahead
Stop, stop when I say you can
Talk, talk say it again, don't stopWalk, walk straight up ahead
Stop, stop when I say you can
Talk, talk, say it again, don't stop, stop till I say that you can
Stop, stop say it again don't stop, don't stop, don't stop, don't stop
