Emeralds

Bear's Den

There are emeralds in the moon glow
And storms raging through my mind
Just a whisper in the shadows
And I fell into the nightWon't you let me out?
Won't you let me out?
No, I tried so hard
Don't lead me away, no, we've come so far
Are you there at all?
Are you there at all?
Won't you break my fall?
Don't lead me away, no, we've come so farA careless sun was shining brightly
And the crows start circling
As the skies cried black lightning
Lord knows that I fell, that I fellBut how far, I'll never tellWon't you let me out?
Won't you let me out?
No, I tried so hard
Don't lead me away, no, we've come so far
Are you there at all?
Are you there at all?
Won't you break my fall?
Don't lead me away, no, we've come so farI look for you every night, love
I search all my dreams
In my mind, you'll always be shining
An emerald in the moon glowWon't you let me out?
Won't you let me out?
No, I tried so hard
Don't lead me away, no, we've come so far
Are you there at all?
Are you there at all?
Won't you break my fall?
Don't lead me away, no, we've come so far
We've come so far
