

Just Fuck Me

Brad Nailer

D G A

1.

Baby Iâ€™ve had a long hard week
And Iâ€™m so glad itâ€™s through
And Iâ€™m just so doggone happy
To be here at home with you

Iâ€™ve got to lose these working blues
Before they drag me to my knees
So thereâ€™s just one little thing
I would like to ask you please

Chorus

Why donâ€™t you just fuck me
Fuck me half to death
Nine ways from Sunday
Till weâ€™re out of breath
Just fuck me silly
For an hour or two
Cause what I need right now
Is a good old fashioned screw

2.

Right here in the kitchen
On the edge of the sink
Letâ€™s get a little sweaty
And then have a drink
And then do it on the sofa
You can be on top
I really donâ€™t give a damn
If we ever stop

Chorus
