Alone

Judas Priest

They say we are fools
We say, look at you
Long ago, we were just a few
Still say, we don't need you
We don't wanna belong
We said all along
We just wanna be
Left alone
We don't wanna belong
We said all along
We just wanna be
Left alone
Think that we
Must have lost our way
Running from the pleas
You were wrong
Chose our course
Counted off the days
Enduring in a rage
We got strong
We don't want to belong
We said all along
We just wanna be
Left alone
We don't want to belong
We said all along
We just wanna be
Left alone
You denied
Everything that's good
Reacting as you would
With your shame
So we turned
And left you all behind
We don't need your kind
You're to blame
We don't want to belong
We said all along
We just wanna be

Left alone
We don't want to belong
We said all along
We just wanna be
Left alone
In years to come
You hear my name
When darkness falls
On judgment day
They say we are fools
We say, look at you
Long we know, we were just a few
Still say we don't need you
Think that we
Must have lost our way
Running from the blaze
You were wrong
We chose our cause
Counted off the days
Enduring in a rage
We got strong
We don't want to belong
We said all along
We just wanna be
Left alone
We don't want to belong
We said all along
We just wanna be
Left alone
We don't want to belong
We said all along
We just wanna be
Left alone
We don't want to belong
We said all along
We just wanna be
Left alone
We don't want to belong
We said all along
We just wanna be
Left alone
