

Human

The Killers

I did my best to notice
When the call came down the line
Up to the platform of surrender
I was brought, but I was kind And sometimes I get nervous
When I see an open door
Close your eyes, clear your heart
Cut the cord Are we human or are we denser?
My sign is vital, my hands are cold
And I'm on my knees looking for the answer
Are we human or are we denser? Pay my respects to grace and virtue
Send my condolences to good
Give my regards to soul and romance
They always did the best they could And so long to devotion
You taught me everything I know
Wave goodbye, wish me well
You've gotta let me go Are we human or are we denser?
My sign is vital, my hands are cold
And I'm on my knees looking for the answer
Are we human or are we denser? Will your system be alright
When you dream of home tonight?
There is no message we're receiving
Let me know, is your heart still beating? Are we human or are we denser?
My sign is vital, my hands are cold
And I'm on my knees looking for the answer You've gotta let me know
Are we human or are we denser?
My sign is vital, my hands are cold
And I'm on my knees looking for the answer
Are we human or are we denser? Are we human or are we denser?
Are we human or are we denser?
