

# Crushin' My Fairytale

Celeste Buckingham

The doctor told me that I'm just needy  
No, No he can't help me  
Nothing will, until you do  
One day you'll save me  
Instead of faking  
But for now I'm waiting  
Until I'm good enough for you But I'm not a queen and this ain't my castle  
I can't believe that you're turning the tables  
Why can't you see that, that you and me can  
Live on forever (Forever) You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale. Oh, I guess it's useless, so trying to change it  
So I'll accept my fate and wait for what I call ?this time?  
That you are worth it  
That you deserve it  
So make it painless  
And baby say that you'll be mine But I'm not a queen and this ain't my castle  
I can't believe that you're turning the tables  
Why can't you see that, that you and me can  
Live on forever (Forever) You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale. Watching all of my rivers just running dry  
Always wish that we make it  
And that we'd survive  
The grass is always greener on the other side  
But I can't lie  
Oh, oh, oh, oh  
Oh, oh, oh, oh (yeah)  
Oh, oh, oh, oh (yeah)  
Oh, oh, oh, oh (yeah, yeah yeah)  
Oh, oh, oh, oh (oh)  
Oh, oh, oh, oh But I'm not a queen and this ain't my castle  
I can't believe that you're turning the tables  
Why can't you see that, that you and me can  
Live on forever (Forever) You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale  
You're crushin', You're crushin', Crushin' my fairytale

You're crushin', You're crushin', Crushin' my fairytale. You're crushin', you're crushin', Crushin' my fairytale  
(I'm not a queen)  
I can't believe that (crushin' my)  
You're crushin', you're crushin', Crushin' my fairytale (I'm not a queen)  
I can't believe that (crushin' my fairytale)
