

Heâ€™s Got the Whole World In His Hands

Kitty Wells

He got the whole world in his hands
The whole world in his hands
He got the whole world in his hands
He's got the whole world in his handsHe's got the wind and rain in his hands
He got the wind and rain in his hands
He's got the wind and rain in his hands
He's got the whole world in his handsHe's got the sinner man in his hands
He's got the sinner man in his hands
He's got the sinner man in his hands
He got the whole world in his handsHe got the tiddle little babies in his hands
The little babies in his hands
He got the little bitty babies in his hands
He got the whole world in his handsHe got you and me brother in his hands
He got you and me sister in his hands
He got you and me brother in his hands
He got the whole world in his handsHe got the whole world in his hands
The whole world in his hands
He got the whole wide world in his hands
He's got the whole world in his hands
He got the whole world in his hands
