Shame

Drumfish

And we agree to disagree
Its part of the dance, the artistryA sea of black, a sea of white
Part the seas, let in the light(Chorus) Its part of the difference leaving me side by side
I can remember that everythings black and white
I dont even know hwy I am falling down, down
Its part of the difference(Change)I can believe
Everythings fine
All in your days
All in your time
And I know your nameAnd I am what I am
Just a shame almost thereThe only one that matters
A sense of pride
I can break my back
And still let this die
Here I say(Chorus)(Chorus)I can believe
Everythings fine
All in my mind
All in your time
And I know your name
I know your shame
