

Outside

The Fixx

Outside, I stretch the mind that hides within
New pride, I lose four walls that keep me tied Outside, I breathe new air that reaches me
Fresh tide, does all the cleansing life can give Tongue-tied, no words will match this point of view
Chastise, I don't belong as no one owns Washing, flowing, taking, all my fears away
Rushing, blowing, touching, gives all life a grace
Washing, flowing, taking, all my fears away outside Outside, I stretch the mind that hides within
New pride, I lose four walls that keep me tied Washing, flowing, taking, all these fears away
Rushing, blowing, touching, gives my life a grace
Washing, flowing, taking, all these fears away outside
