You Let Me Down

Black Flag

Hey friend, what happened to you?...(?)You let me down
You let me down
You let me down
You let me downHow could you do that?...(?)
You let me down
You let me down
You let me down
You let me down(blah blah)
You let me down
You let me down
You let me down
You let me down(blah blah)
You let me down
You let me down
You let me down
You let me down(blah blah)
You let me down
You let me down
You let me down
You let me down
