

Thinking About You (Dallerium Remix)

[Calvin Harris](#)

If I told you, that this couldn't get better baby
And your heartbeat, it lets me know you feel the same
I can hold you, keep you safe until you fall asleep
Never worried, 'cause I can't give you what you need
Now everything I do, is all for loving you
It's not something that we're used to
No other way to say, I need you every day
And now I'm gonna change my ways
And it's a part of you, I never wanna lose
I'll do anything you want me to
Like any other day, I know I'll find a way
And if ever I'm alone you'll say I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
In a moment, I know that everything could change
And I know that, my life would never be the same
You're the only one that's making sense to me
When I close my eyes, you're the one, I see
There's no other way I could ever be
Without you babe
Now everything I do, is all for loving you
It's not something that we're used to
No other way to say, I need you everyday
And now I'm gonna change my ways
And it's a part of you, I never wanna lose
I'll do anything you want me to
Like any other day, I know I'll find a way
And if ever I'm alone you'll say I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
I'll be thinking about you
